## **APPOINTMENT CANCELLATION POLICY**

To ensure that your healthcare treatment is successful and efficient, keeping your scheduled appointments is imperative. As a courtesy we will always make an effort to remind you of your scheduled visits, but please remember that keeping them is ultimately your responsibility.

Our goal is to serve all of our patients well. This includes making sure that the physician's availability does not go to waste.

Therefore, unless cancellation of an appointment is received at least 48 hours in advance, you will be charged a no-show fee.

**All MISSED APPOINTMENTS WITHOUT 48 HOUR PRIOR NOTIFICATION, WILL BE CHARGED AS FOLLOWS:**

**\$50 per FOLLOW-UP**

**\$100 per CONSULTATION**

Please note that payment is your obligation regardless of insurance or third party involvement.
